Rail Protection Plan

The Rail Protection Plan covers you in case your railpass or rail ticket is lost or stolen while in Europe. It's a small price to pay for some very big peace of mind.

The European Railroad's policy is that no pass or ticket is refundable or replaceable if lost or stolen. No wonder our exclusive Rail Protection Plan is so popular!

To qualify for reimbursement, simply purchase a replacement railpass or rail ticket and complete your rail travel. (You'll also need to file a police report.) Reimbursement is based on whichever is lower: the unused value of the lost pass or tickets or the cost of the replacement pass or tickets purchased in Europe.

The procedure and conditions for obtaining reimbursement are listed in the flyer you'll receive with your pass or ticket. (Not available for all products.)

	Per Person
Point-to-Point Tickets	\$10
Individual Country and Multi-Country Passes	\$10
Eurailpasses, Eurail Selectpasses	\$14
Multiperson and Saverpasses	\$17

All prices are per person and in U.S. dollars. Subject to change.
