

## Rail Protection Plan™

This exclusive service provides protection should your rail pass or rail ticket be lost or stolen while in Europe. The nominal fee is a small price to pay for some big peace of mind.

The reason for this offer is the European Railroads' policy that no pass or ticket is refundable or replaceable if lost or stolen. No wonder our protection plan is so popular.

To qualify for reimbursement, simply purchase a replacement railpass or rail ticket and complete your rail travel (you'll also need to file a police report). Reimbursement is based on whichever is lower: the unused value of the lost pass or tickets, or the cost of the replacement pass or tickets purchased in Europe.

You'll find the procedure and conditions for obtaining reimbursement listed in the flyer along with your pass or ticket. (Note: not available for all products).

**Point to Point Tickets \$10 USD / \$10 CAD**

**National passes & BritRail Passes \$10 USD / \$10 CAD**

**Multi-country passes \$14 USD / \$14 CAD**

**Eurail Global Pass & Eurail Select Pass - \$14 USD / \$14 CAD**

**Multi person passes, Saverpasses, Party Passes \$17 USD / \$17 CAD**
